August-September

2006

August 2006:

In August of 2006, Troop 386 participated in 2 fun-filled events. One of these events was the 50 -miler back-packing trip .This is where the Venture Patrol scouts go on a 50 mile trek for over a week. They had great fun hiking all day and seeing different sights. Secondly, the troop also went to Yosemite National Park. Here, the boys also hiked, but for only about 4 or 5 miles. The troop got to see many different sights while at Yosemite including Half-Dome. The troop had a great time in Yosemite.

September 2006:

In September of 2006, Troop 386 went camping in Winters, CA. Here is where the troop went on a 25 mile bike ride (the older scouts) , and a 10 mile bike ride (the younger scouts). The troop had a lot of fun riding their bikes and some, canoeing. On this trip, the troop invited along a few Webolos. This made the trip even more enjoyable. Everyone had a wonderful time on this trip.
