## **October 2006-**

In October of 2006, Troop 386 took a trip to San Francisco. But before reaching S. F., the troop drove to Vallejo and stayed overnight at a local Elk's Lodge . The next day, the troop took a ferry to their destination, S. F. Here, the scouts had loads of fun walking around by Pier 1, Pier 39, Fisherman's wharf , watching the air races, and to Ghirardelli Square. The troop had loads of fun sightseeing in S.F.

## **November 2006-**

In November, Troop 386 took a trip to Bodega Bay. Here the scouts got to go deep sea fishing. Catching fish and even some crab was the main highlight. After all the fun, the troop took part in a service project. They helped plant some trees to make the area look more desirable. This was greatly appreciated.
