

Carmichael Elks Troop 386 Newsletter

July 2006 -

4th of July Parade:2006

Every year on July 4th, Boy Scout Troop 386 is in the 4th of July parade representing the troop and the Elks. The boys marched down the streets of Carmichael with flags waving in the air and chanting loudly to show that Troop 386 really is Red, Hot & Rollin'. But before this was done, the troop camps out under the stars at the Elks Lodge. There was also a Court of Honor for the scouts who advanced, swimming , BBQing , and many more fun-filled activities.

Summer Camp: Camp Winton, 2006

This year Troop 386 attended Camp Winton for summer camp. This was a great opportunity for the boys to work on merit badges, play games, socialize with other troops, cliff jump, waterskii , and many other great activities. This year the troop also went on an overnight canoeing trip. The boys slept right on top of the lake, under the stars while eating delicious cobbler. The troop had a great time

doing this. While there were many fun activities at camp, the boys were exhausted and ready to go home at the end of the week. Overall, everyone had a great time.
